Are there any other places where people use marijuana?

Not sure

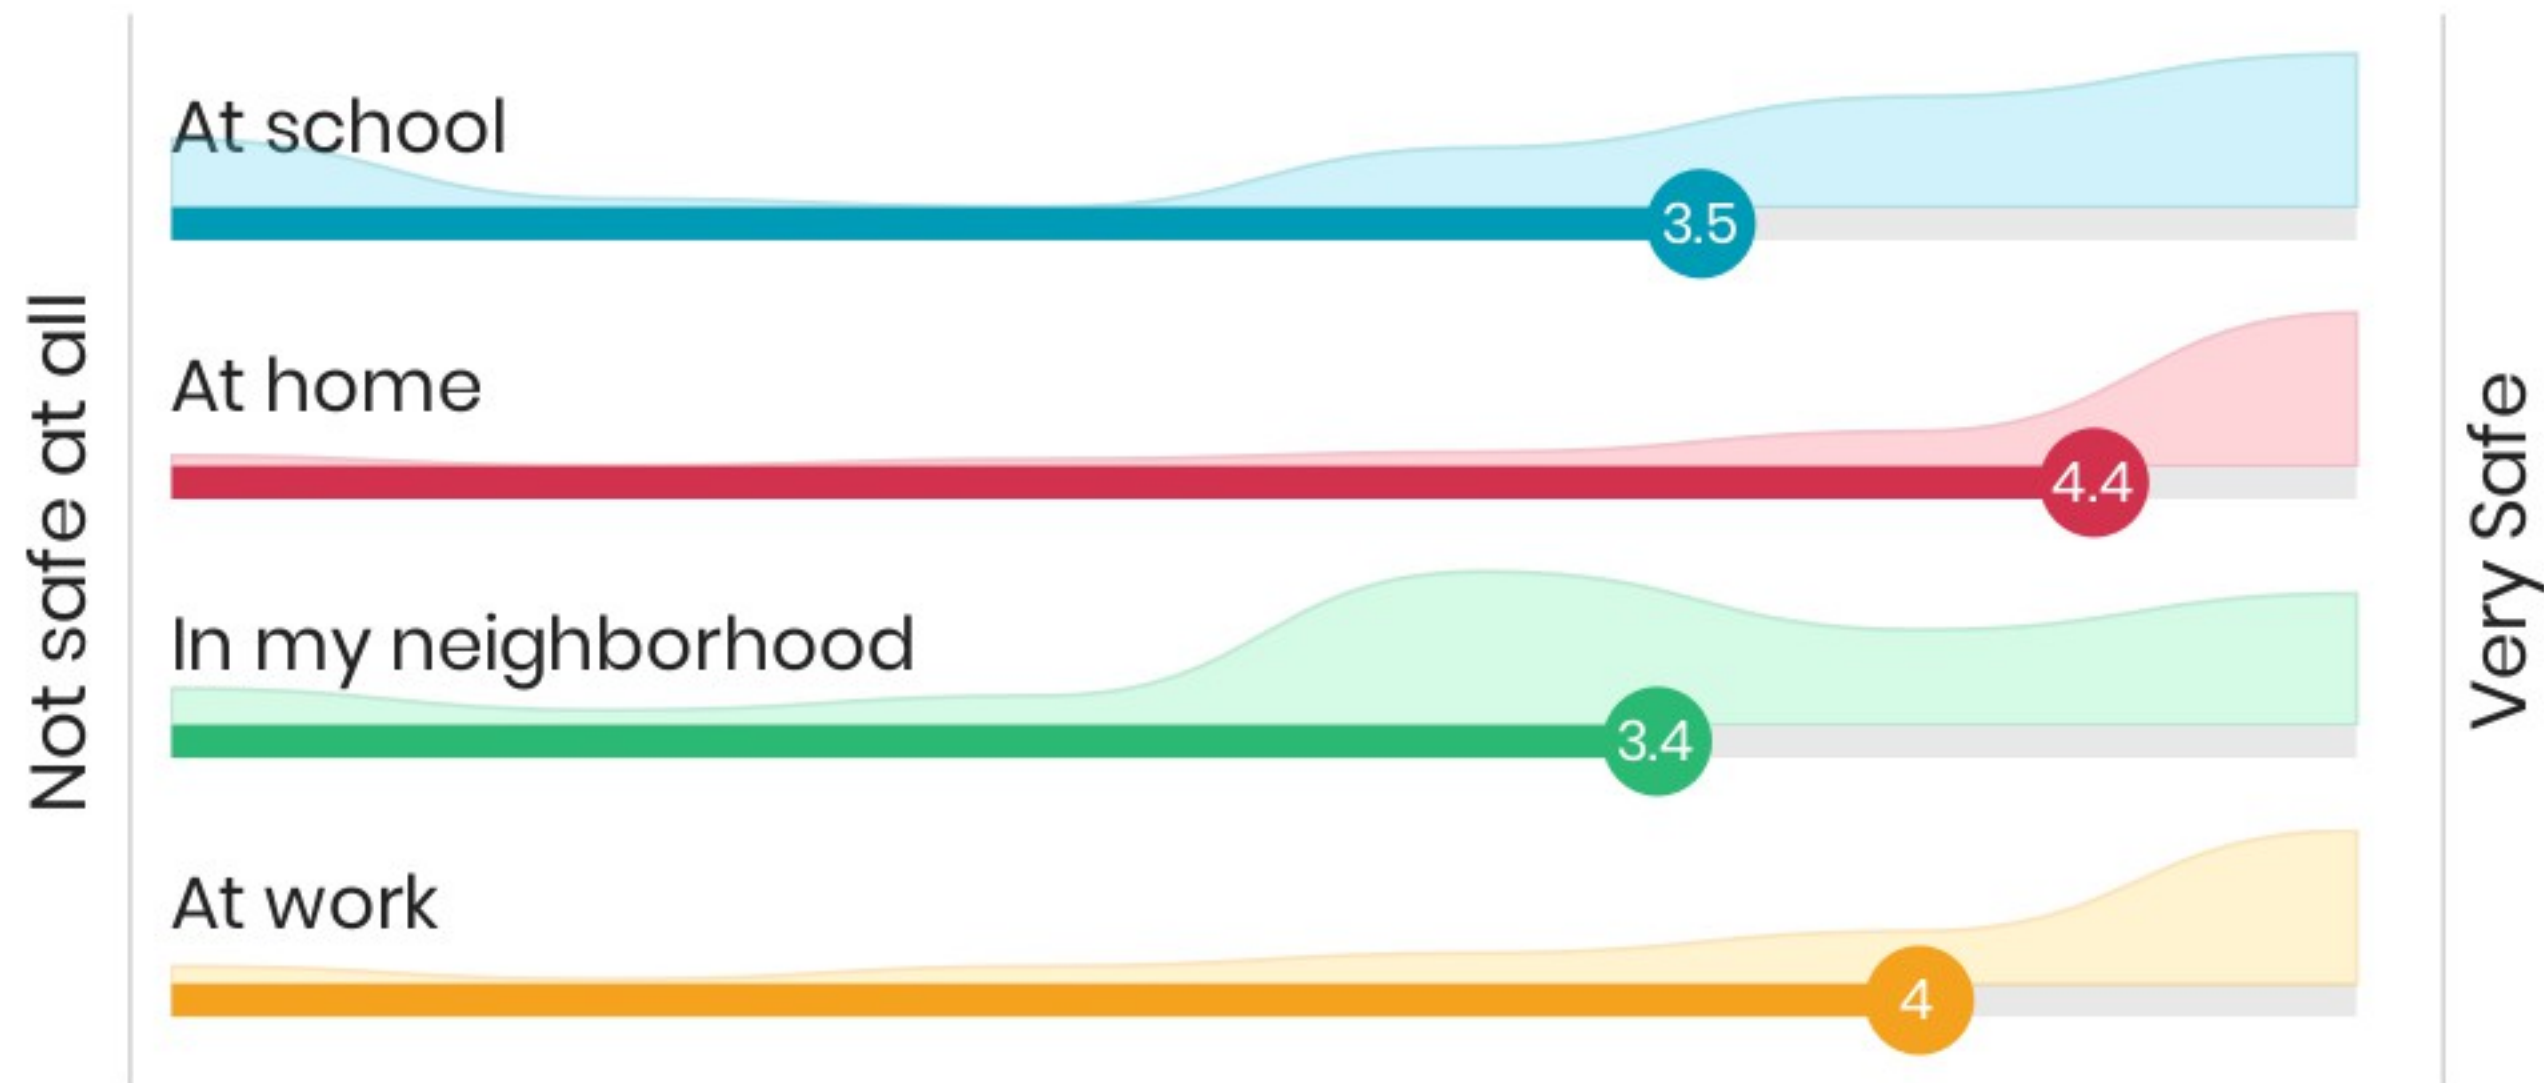

Do you agree or disagree with the following policies and strategies to prevent youth (under 18) marijuana use?

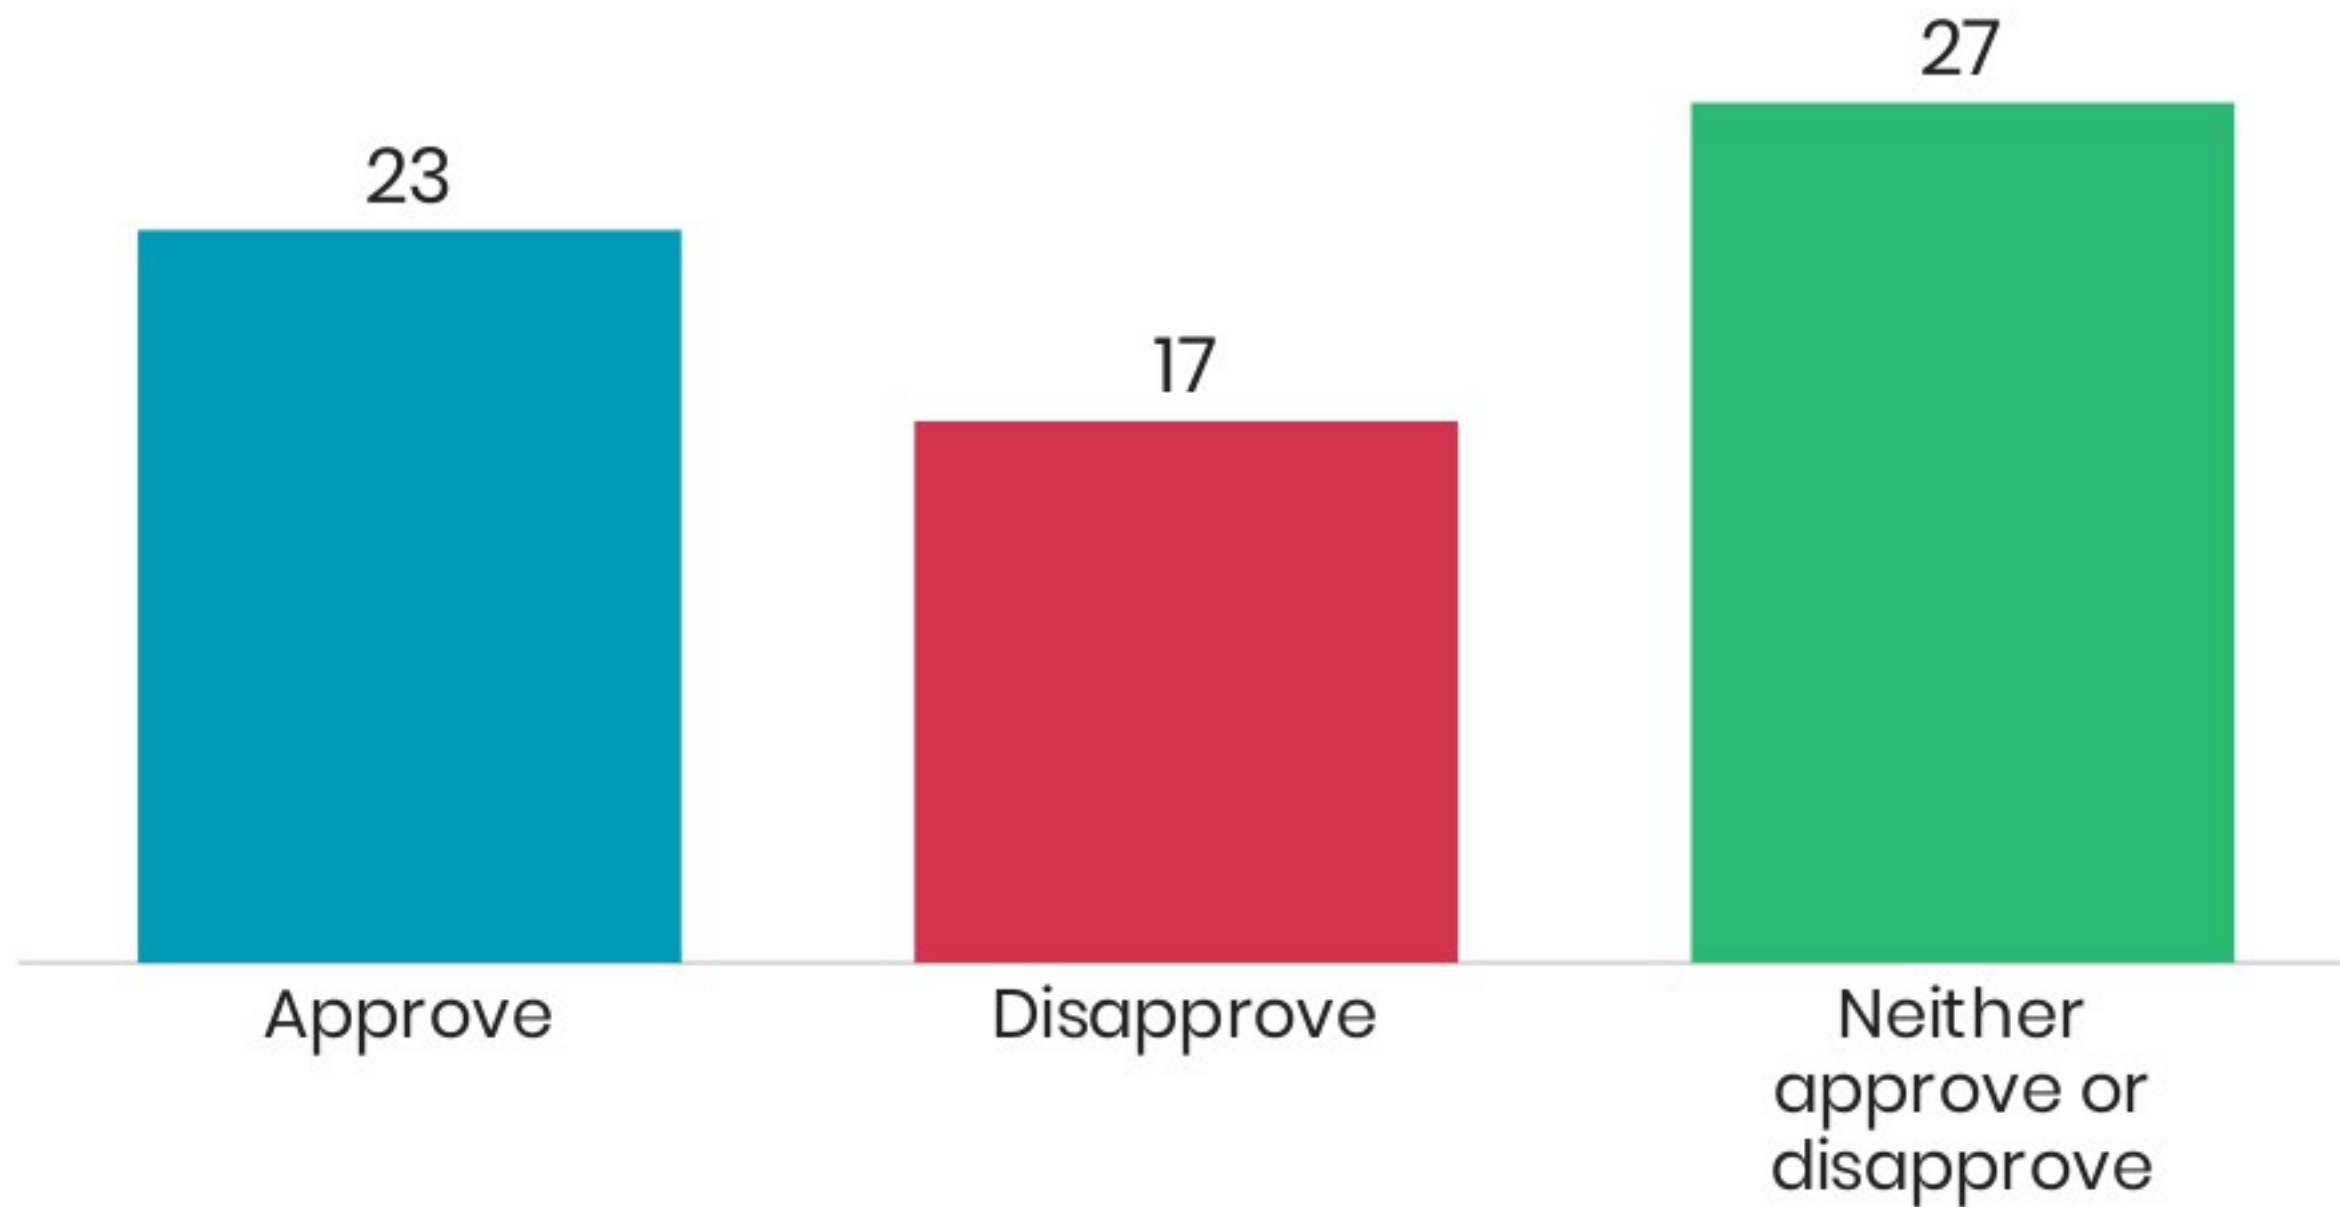

Among the following list of people, are there any individuals that you feel support you?

How safe do you feel in the following places?

How would your friends feel if you used marijuana?

How would you respond if one of your close friends used marijuana?

Disappointed

No way

Wouldn't care

Pass that

Their choice

Meh

Indifferent

Get your life

How would you respond if one of your close friends used marijuana?

Why?

Don't do it

Wouldn't care

I wouldn't say anything.

Happy if they are happy

Upset

How would you respond if one of your close friends used marijuana?

I would be disappointed they're not reaching their full potential

Well it makes me worried and angry.

Provide support

Want to find out the deeper reasons why they are using

I'd be concerned

Shocked.

Don't care

How and where are you using it?

Porque?

How would you respond if one of your close friends used marijuana?

Be okay with it

Don't care

Confused Would want to stay away

Concerned

If they're 21 it's their choice

Depends on reason

Wouldn't care either way

How would you respond if one of your close friends used marijuana?

Okay

Lovingly concerned

I would talk to them about it

What?!!! You cray

No big deal

I would educate them about the potential harms and hope they don't become addicted/dependent

Educate them

As long as they're not abusing it.

I'm not sure

How would you respond if one of your close friends used marijuana?

I would feel disappointed

Disappointed but it's their choice as an adult

Wouldn't bother me unless it was chronic use

Ayeeee

Okay unless it becomes a problem

Love you

Ok they are adults. As long as it doesn't destroy their life

Its okay

How would you respond if one of your close friends used marijuana?

Not sure

Shake my head at them

I would ask them why, depending on that I'd give my opinion if asked.
Support if necessary

There' Choice+

See if they know the pros and cons off hand and determine why they are using

Be there for them. Ask why

Not in my home or around me

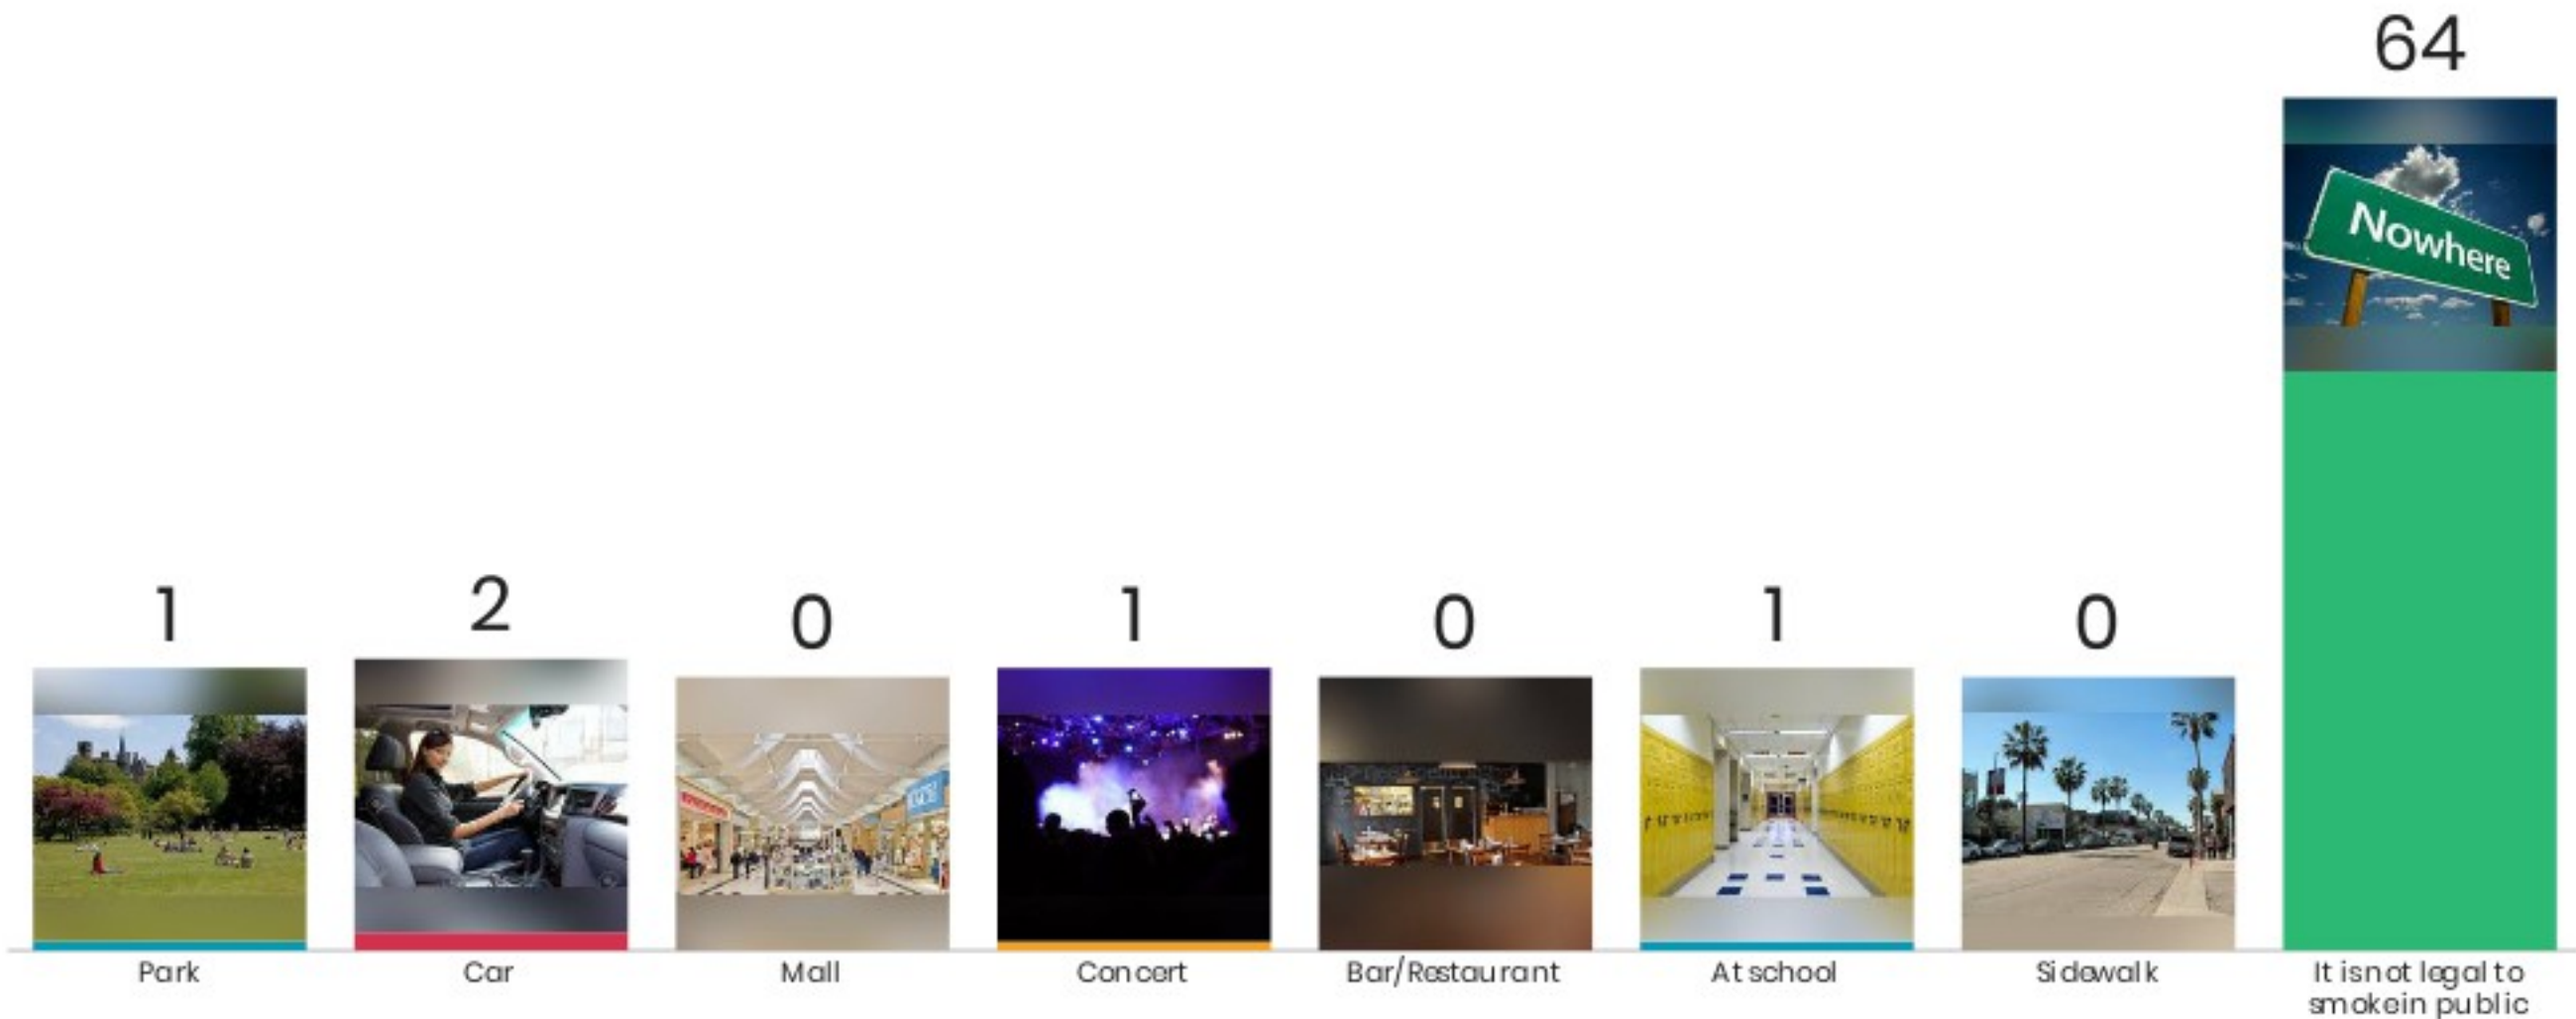

Pass it

Make sure they are using marijuana properly. Education while being medicated

How would you respond if one of your close friends used marijuana?

At which of the following places is it now legal to smoke marijuana?
